

Council Briefs

The Torrance City Council, meeting Tuesday evening, Dec. 4, took the following action:

Overruled protests and objection to South Torrance Sewer Assessment District No. 4 and ordered construction of sewers and appurtenant work.

Permitted Charles E. Gold to withdraw application for zone change from A-1 to C-1 for property on Crenshaw Boulevard between 233rd and 234th streets with the indication he would seek a variance instead.

Gave unanimous approval to a tentative tract map for 794 lots submitted by developers Don Wilson and Ray Wait for the area south of Sepulveda popularly known as the "Marble Property." Representatives of the developers agreed to grant the city a four-year option on five acres of the land for park purposes to be sold to the city at average "raw land" cost.

REFERRED a claim for damages totaling \$57.82 to the legal department. Agents for John M. Russell alleged a parkway tree fell and damaged a vehicle.

Approved a request of Torrance Traffic Safety Council to award a permanent resolution to an area radio station at a cost not to exceed \$25.

Concurred in a recommendation from City License Inspector Gale Whitacre to release an oil well bond at the request of C. O. Rodabaugh.

Concurred in recommendation to City Engineer Walter Nollac to award sewer contract in Rolling Hills Road south of Crenshaw Boulevard to Chet Kohler Construction Co. on a bid of \$3,489.82.

ADOPTED resolution of intention to vacate portion of alley southeasterly of Elena Avenue between Vista Del Mar and Via Valencia in the Hollywood Riviera business district.

Approved establishment of Sewer Reimbursement District No. 31 on Flower Avenue between Carson Street and Sozoma Avenue.

Approved recommendation of James Whitmer, traffic and

lighting engineer, to install a traffic signal at Crenshaw Boulevard and Rolling Hills Road with the joint participation of developers in the vicinity.

CONCURRED WITH traffic commission recommendation to deny suggestion by member of recent Junior Citizens City Council to re-establish crosswalk on Carson Street at Post Avenue. Students are being asked to cross at the traffic signal near Torrance High School.

Adopted resolution announcing proceedings to annex "Botanical Gardens Annexation No. 1" a small parcel of private property between the Torrance southern boundary and the county landfill area. It would make the county land contiguous to the county area in the event the county agrees to annexation of that area to Torrance at a later date, according to E. J. Ferraro, assistant city manager. Owners of the property initiated the annexation.

ADOPTED Ordinance 1349 reclassifying property described in Planning Commission Case 792 at second reading.

Received report from City Manager Wade Peebles that the city had checked with the office of the County Engineer with respect to slippage area in the vicinity of the site on the Palos Verdes Peninsula proposed as a four-year college site. Peebles learned that the county was making a study of the problem but was not ready for "a public review since the testing has not been completed." The report was ordered filed.

Approved a public sale of surplus city equipment including vehicles, a sweeper, and metal scrap at 10 a.m., Saturday, Dec. 15.

SENT TO Recreation Commission for their review proposals by the city and by the Torrance Youth Sports Council for use of civic center property for athletic fields.

Concurred in recommenda-

tion to increase salary of assistant superintendent of building inspection from Range 64 to Range 66 effective Dec. 1.

Approved recommendation to purchase calculator and calculator table for engineering department at a cost of \$1,169.38.

GRANTED approval of Universal C.I.T. to occupy a mobile trailer as a temporary business office at 21152 Hawthorne Ave. pending completion of a new building on the site.

Approved recommendation of city manager to pay \$500 to the American Municipal Assn. as annual dues through Sept. 30, 1963.

Christmas Concert Slated In Serra High Auditorium

The Gardena Valley Boys' Band will present its third annual Christmas Concert on Tuesday, Dec. 11, at 8 p.m. in Serra High School auditorium, Compton and Van Ness Avenue in Gardena.

The boys will be wearing new uniforms which they helped purchase through candy sales and other fund raising drives.

There are presently 47 boys in the concert band representing several cities of the South Bay area. Later this month, as a public service project, the group will play Christmas music for patients at Harbor General Hospital. In January they will visit elementary schools in the southern area playing selected programs to stimulate recruitment.

This year's Christmas Concert at Serra High School auditorium will feature traditional Christmas music along with standard band numbers of increasing difficulty designed to show that boys who practice can make beautiful music and have fun doing it. On the same program, a younger group, known as the Varsity Band, plan to play four numbers as their first public appearance.

Tickets may be secured from any band member or obtained at the auditorium. Parents are encouraged to bring their younger children who will be admitted free.

Road Work In Lomita, Carson Set

Roadway improvements totaling \$7,500 are scheduled by the County Road Department for the Carson and Lomita areas, Supervisor Burton W. Chace announced yesterday.

The projects will include five sections of County road, comprising 128,000 square feet of new pavement, in the vicinity of 212th Street along portions of Budlong Avenue, Berendo and Broadwell Avenues and Royal Boulevard.

Chace said the Road Department also will improve a portion of Narbonne Avenue southerly of 243rd Street to provide improved drainage and higher roadway efficiency.

If you've got the spirit...

we've got the rest

Holland House Cocktail Mixes have everything you need to make perfect cocktails at home - except the liquor. As any good bartender knows, liquor shouldn't be added to cocktails until just before serving (after which, liquor affects the fresh taste of other ingredients). Besides, we don't know your favorite brand of liquor or how much you like to use. So Holland House leaves it up to you. Makes dozens of drinks. Just 80¢ at your liquor or food store. That's the spirit!
